Dear John

re Proof of payment for Patent Application No: PCT ZA 2005/00 0009
USPTO National Phase Application No: 10 / 586385

Thank you for your call earlier this evening. Herewith proof of bank transfer for the amount of USD 700.00 paid to USPTO on the 14th of July 2006. I also include a copy of the fax notice and report faxed to Mr. Richard Ross on the 18th of July 2006 containing confirmation of our direct SWIFT transfer from First National Bank (FNB), Margate, South Africa to the USPTO bank account held at the Federal Reserve Bank of New York. I fail to understand why payment was not noted at the time.

I have to date not received any correspondence from USPTO with regards to our patent application either by post, fax or email. Our contact details remain unchanged with the exception of our email address which changed in October 2006 (contact details at bottom of this page). Notification of this change of email address was emailed to USPTO but received no response. A separate letter of notification is thus attached hereto.

With regards to USPTO's oversight of our payment, I called USPTO on the 17th of August 2006 to ensure that our patent application had been received by the correct department and that all was in order. I spoke to a lady by the name of Dionne who confirmed that our patent application had already been cleared by the initial office of Preliminary Examination and been allocated the National Phase Application No : 10/586385. She assured me that our application was in order and would be forwarded for examination next. This would not have been possible without receipt of payment.

You will see from the official bank reports attached hereto that payment was received by the USPTO bank seven months ago and as time is of the essence it is therefore crucial that this application please be forwarded for examination without unnecessary delay.

As I mentioned to you earlier, purchasing foreign currency in South Africa is extremely difficult due to the increase in crime in our country and an immense amount of effort has gone into assuring that our patent application together with full payment reached USPTO well within the required time frame of our PCT.

Should you require any further information with regards to our payment or any other aspect of our application please contact me at any time on the telephone or fax numbers listed below. Please confirm receipt of payment in writing via either fax or email.

Thank you once again for your assistance in resolving this urgent matter.

Kind regards,

Susan Barrett

Hello Susan Barrett,

I hope this information, provided by Kelly Beavers here at the uspto office of finance, can help you regarding transferring fees by wire. I am no expert on the transfers, but, I often am involved in receiving most money that is wired to New York for PCT files, and applying those fees to the PCT file itself...
 thx..
